

# STUDIO ART FOUNDATION

Mrs. Scavelli - [iscavelli@scarsdaleschools.org](mailto:iscavelli@scarsdaleschools.org)

In this half semester course, we will explore several different types of mediums to provide you with a well-balanced set of skills to take with you if you decide to take more art in the future. Here is a sampling of some of the different mediums:

2-Dimensional Design: drawing, painting, and printmaking

3-Dimensional Design: sculpture

Digital Media: photography and graphic design

## DIGITAL PORTFOLIO

You will be required to create a **Google Site** to upload your work for viewing after each project, documenting your process, and writing reflections of your work. This will be your digital portfolio. We will set up our Google Sites together in class and you will need to share the published site with me as soon as it is created.

Here is a tutorial to help with creating a Google Site:

<https://www.youtube.com/watch?v=w05NlgHNzWs&t=102s>

## GOOGLE CLASSROOM

On **Google Classroom**, you will find the following information:

- A. Assignments
- B. Tutorials
- C. Powerpoints
- D. Handouts

## GRADING POLICY

I will provide rubrics at the beginning of each project so that you will be aware of what is expected from you. Once the project is complete and you have uploaded an image of your work to your Google Site, I will then grade your work and email you a copy of the rubric with your grade to your school's Gmail account. **I will not be accepting work through Google Classroom.**

**Participation** in the classroom is also given a full project grade at the end of each quarter. This means that you:

- o Showed up on time for class on time and were prepared to work.
- o You participated in class discussions.
- o You completed and turned in all your work on time.
- o You kept your digital portfolio in a neat and creative manner.

## MUSEUM ASSIGNMENT

All **Studio Art Foundation students** will be required to complete a museum assignment. I will go over this in detail in class. You will be assigned this project very early into the semester and you will work on this on your own time. You will be given four due dates spread out until December, one for each section to be completed and uploaded to a page on your Google Site.
